Greg has the Ft. Belknap letter and our separate email saying he can rely upon it, as can his ODFIs. If it's sufficient for me to send him a note that says the same law applies and our views are identical with respect to LVD's operations, I am happy to do that. Or do you think he really needs something different?

I have not provided a legal opinion to LST re: any client. Checking with Nicole and Saba to see if they have.

Hi guys, Greg gave me a heads up that LST must have a legal opinion on file by Friday from each of its customers, or they will be turned off. I know he's already received ones from each of you for other clients, so should be easy. Please send one for each DCTF and RRTL.

Thanks!
